AGENDA ITEM: 6.1

SUBJECT: San Luis Obispo Council of Governments (SLOCOG)

SUGGESTED ACTION: Hear presentation from SLOCOG on the "Local Roads First" transportation tax ballot measure draft investment plan.

DISCUSSION:

SLOCOG has been working toward a transportation tax ballot measure since summer of 2023 and we just received approval on the draft plan from the SLOCOG Board of Directors at the February 7th meeting. We also plan to present the plan and listen to feedback from city councils and CACs county wide. We'll then bring it back to the SLOCOG Board of Directors for final approval May 1st. Based on public feedback, and designed to ensure fair distribution of funds, this plan shows how funds would be allocated to North County and San Miguel if the Local Roads First Transportation Tax measure is approved.

FISCAL IMPACT:

Unknown, depends on Board direction

2. CONTINUATION OF DISCUSSION AND POTENTIAL ACTION REGARDING THE ADOPTION OF WATER RATES FROM SEPTEMBER 28TH 2023 BOARD MEETING

Pursuant to Article XIII (D) of the California Constitution that San Miguel Community Services District is continuing the discussion regarding the protest ballots submitted and will consider taking action to update the rate structure and increase its rates for water services. (Resolution 2024-01)

Discussion and potential approval of water rate structure change and increase.

Item presented by General Manager Kelly Dodds explained that Director Baker and Director Kalvans meet a few times, and discussed other options. The other options discussed would need an new Prop 218. General Manager Kelly Dodds gave a brief description of the proposals. The current Prop 218 would be for an increase of 4.5 % gross revenue increase and 5% after, this proposal would be beneficial for lower water usage customers. The proposal from Director Baker would have a higher base charge and would insure that the District has funds if no water was used and has three tiers. General Manager Kelly Dodds explained that the Board has a few options they could; approve the rate as is; abandon the proposal; or propose a new Prop 218 rate with a new notice. Mr. Dodds explained the Prop 218 regulations.

Board Comment: Director Baker handed out a worksheet for his proposal. (copy available at www.sanmiguelcsd.org 3-28-2024 Board Meeting)

Director Baker voiced that he would like to have a study or workshop session with the public. Director Baker that the current Prop 218 proposal with the one tier has around 65 customers that don't use any water, and they will get around a 39% decrease then you get a 28% decrease for the next 17 customers. Director Baker continued to explain that the bulk

of the customers, will be getting an increase of around 15%-17%. Director Baker voiced that the current Prop 218 proposal gives a decrease to customers who use more water and decreases to customers who use less water, but the customers in the middle would be get the largest fee increase. Director Baker voiced that he would like to even things out, so he would like to increase the base price and lower the tier price explaining that it would give the District guaranteed income; costing more as the customers water usage goes up. Director Bakes opinion is to allow customers to use more water and the more water sold the more money is made.

Director Gregory asked for clarification on the base rate proposed by Director Baker. Director Baker voiced that the base rate would be \$48.50. Discussion ensued.

General Manager Kelly Dodds explained that the current water rate has three tiers, and Director Bakers proposal is also a three tier system. A three tier rate will give an overall percentage share cost to everybody because you are going form the same three tier system to the same three tier system. Mr. Dodds clarified that going from a three tier system to a one tier system does create a larger increase for the 5-12 unit users. Discussion ensued about the future and proposed projects.

Director Kalvans voiced that he has meet with Director Baker and that they has discussed his proposal. Director Kalvans explained that the three tier system and one tier system has been discussed over the years, and by direction from the Board of Directors the current Prop 218 rates are with a one tier system. Discussion ensued on other options.

Director Kalvans voiced his concerns about water rate increases in the summer months, and would like to hear from the other Directors. Director Kalvans asked what the timeline would be if the Board opted for Director Baker's proposal.

General Manager Kelly Dodds explained that it could be brought back in April for a discussion, and there is a minimum of 45 days from the day the Board of Director approve sending out a new Prop 218. Discussion ensued on the timeline.

General Manager Kelly Dodds explained that the Board could continue this discussion and have a workshop to decide on options, with direction from the Board.

Director Smiley asked questions for clarification about the Prop 218 process and what the Director's options could be. Discussion ensued.

Director Davis voiced that in the proposed Prop 218, customers don't get any water for the base. General Manager Kelly Dodds explained that he was correct the current proposal has a base rate of \$32.30 with an additional charge of \$5.75 for each unit used.

Director Davis voiced that in his opinion the protest where not validated correctly. Director Davis voiced that he would like to start over with a new Prop 218 proposal, and that the District should be able to do the calculations in-house.

Director Gregory voiced that the Boards purpose was to simplify the rate structure and to provide assistance to the low users. Discussion ensued with Director Baker discussion his proposal.

Director Gregory voiced that keeping everything the same is not helpful for the community and in her opinion the public does not get enough correct information.

Director Kalvans voiced that he understood that there is not adequate funding for projects and would like to have some sort of rate relief for low users. Director Kalvans expressed that customers will be using more water in the upcoming summer months and would like to move forward with a discussion on Director Baker's proposal.

Director Smiley would like to move forward with the current Prop218 and and then look at the other ideas.

Director Gregory asked if Director Baker's proposal was discussed with the General Manager and if it was able to be implemented in the current software. General Manager Kelly Dodds explained that the Districts current software can handle the proposal, but the

Baker proposal information would still need to be reviewed by Bartle Wells Associates. Director Baker would like to schedule a study or workshop session in the next few weeks and then come back at next meeting after hearing from the other Directors and the public.

Public Comment: Ashley Sangster, San Miguel resident, spoke about the rate structure, and commented on the individual Board comments.

John Green San Miguel resident, spoke about the proposed rate structure and what it would look like in five years.

Board Comment: Director Kalvans voiced that he has also discussed assessments, and that would need to be studied more and discussed having a fixed GSA cost or other CIP projects on an assessment.

General Manager discussed assessments, and grants for long term projects and replacement costs.

Director Kalvans discussed a 0% gross revenue increase for the first year and voiced that he would like to move forward with the best option. Discussion ensued.

District General Counsel asked for clarification on the 0% gross revenue increase by Director Kalvans and explained to the Board of Directors that the rate schedule can be adopted now and the implementation date could be delayed.

Director Kalvans clarified his thoughts, voicing that he likes Director Baker's proposal.

Director Davis voiced that he does not like anything in the current Prop 218 proposal, and even if starting at 0% gross revenue increase is still a rate increase.

Director Davis voiced that he would like to just keep current rates and structure, until there is further discussion on other proposals, and gave his opinion that the District does not need a rate increase.

Director Baker explained that the only way to have 0% gross revenue increase to customers is to leave the rates the same. Discussion ensued.

President Smiley was asked to reopen public comment; consensus was to reopen public comment.

Public Comment: Susan Green, San Miguel resident, spoke on the Directors comments.

John Green, San Miguel resident, read a statement aloud, and spoke about the San Miguel community struggling.

Ashley Sangster, San Miguel resident spoke about the 0% gross revenue increase proposal.

Board Comment: Director Baker voiced that there is a couple options to move forward.

Director Gregory explained that she liked the proposed rate but does not like how it raises the middle users so much. Director Gregory explained that she was concerned that if the District moves forward with a new Prop 218 the public will again be misinformed and nothing will move forward. Director Gregory asked how long the District could be sustained at the current rate.

General Manager Kelly Dodds explained that it would depend on the actual inflation, or emergencies. Mr. Dodds encouraged the Board of Directors to not postpone this indefinitely.

Discussion on timeline, workshop and options ensued.

Staff Report**

April 25, 2024

AGENDA ITEM: 10.1

SUBJECT: Authorize Staff to prepare and deliver a Notice of Public Hearing to consider increasing solid waste collection rates by 3.5% pursuant to Proposition 218. (Approve by 3/5 vote)

SUGGESTED ACTION: Approve RESOLUTION 2024-14 authorizing Staff to prepare and deliver a Notice of Public Hearing to consider increasing all solid waste collection rates by 3.5% pursuant to Proposition 218

DISCUSSION:

Background

San Miguel Garbage Company (“SM Garbage”) and the San Miguel Community Services District (“District”) entered into its most recent franchise agreement (“Agreement”) in 2020 for the provision of solid waste services to District residents. This year, SM Garbage is requesting an 3.5% increase across all residential solid waste collection rates. This increase is comprised of a 3.5% Consumer Price Index (“CPI”) increase as allowed in the current Agreement to cover escalating operational cost which are outside SM Garbage control. The proposed resolution authorizes District staff to send notice to customers affected by the proposed rate increase, pursuant to Proposition 218.

Discussion

Proposition 218 established substantive and procedural requirements for a public agency increasing property related fees and charges. “Fee” under Proposition 218 means “any levy other than an ad valorem tax, a special tax, or an assessment, imposed by an agency upon a parcel or upon a person as an incident of property ownership, including a user fee or charge for a property related service.”^[1] Solid waste collection and disposal rates are deemed fees under the above definition.^[2] Proposition 218’s requirements apply to fees charged by a local government to provide solid waste collection services.

The District and SM Garbage entered into the franchise agreement in 2020 for the provision of solid waste collection within the District. Under the Agreement, the District Board of Directors (“Board”) must establish rates for the solid waste collection services provided by SM Garbage. The solid waste collection rate increases are subject to the procedural and substantive requirements of Proposition 218 because the District retains control of the rates.

Documentation provided by SM Garbage demonstrates a rise in the costs related to residential solid waste collection and disposal services. The proposed increase is necessary for SM Garbage to fund the cost of solid waste collection and disposal services.

The proposed rates reflect an 3.5% increase in all user rates. Under the Agreement, SM Garbage may collect a reasonable return for providing solid waste collection services. Allowable SM Garbage profit on expenses is calculated using targeted operating ratio of ninety-two percent (92%), with a range of ninety percent (90%) to ninety-four percent (94%).

The proposed increase is directly related to increased operating expenses. SM Garbage’s statement of income for residential services shows a net income of 4.61%. The proposed increase raises rates 3.5% to cover the shortfall and the increased operating costs.

Proposition 218 Substantive Requirements

Property-related fees must comply with the following substantive provisions of Proposition 218:

1. Revenues derived from the fee must not exceed the funds required to provide the property-related service;
2. Revenues derived from the fee must not be used for any purpose other than that for which the fee is imposed;
3. The amount of a fee imposed upon any parcel or person as an incident of property ownership must not exceed the proportional cost of the service attributable to the parcel;
4. The fee may not be imposed for a service unless the service is actually used by, or immediately available to, the owner of the property subject to the fee;
5. No fee or charge may be imposed for general governmental services, such as police, fire, ambulance, or libraries, where the service is available to the public in substantially the same manner as it is to property owners.

Procedural Requirements

To begin the Proposition 218 process, the District must first provide notice of the proposed increase to the affected customers by mail. The notice must state the amount of the fee to be imposed; the basis upon which the fees were calculated; a statement regarding the reason for the increase; and the date, time and location of the public hearing where the Board will consider the increase. The notice must be sent, in this case, to the customers of record, and versions of the notice must be in English and Spanish. Pursuant to Government Code section 53755, the notice may be given by including it in the agency’s regular billing statement. Notably, SM Garbage must pay the costs associated with providing notice under section 9.6 of the Agreement.

[2] Cal. Const., art. 13D, § 6(c).

FISCAL IMPACT:

The cost of preparing and sending Proposition 218 notices must be paid by San Miguel Garbage.

NOTICE OF PUBLIC HEARING REGARDING PROPOSED SOLID WASTE RATE INCREASES

Property Owner/Customer:

This notice is intended to inform you that the San Miguel Community Services District (SMCSD) will hold a Public Hearing regarding the proposed rate increase by San Miguel Garbage Company for customers receiving solid waste, recycling, and green waste services within the District. The proposed rate increases will be considered by the District Board of Directors at the Date, time and location specified below.

Consistent with the requirements of Proposition 218, this notice provides you with the following information:

1. Date, time and location of the public hearing;
2. The amount of proposed increases;
3. Reason for the basis upon which the amount of the proposed increases were calculated;
4. How to protest the proposed increases.

Notice of Public Hearing

The Public Hearing of the proposed rate increase will be held on:

Date: June 27th 2024

Time: 6:00 P.M.

Place: 601 12th St., San Miguel, California 93451

If adopted by the District Board of Directors, the proposed increase will become effective July 1, 2024. The proposed rates are attached to this notice.

Reasons for the Proposed Rate Increases:

The proposed rate increases are necessary for the San Miguel Garbage Company to continue to provide safe, environmentally sound, and reliable solid waste, recycling, and green waste collection, transportation and disposal or processing services to the citizens within the San Miguel Community District. Several factors have contributed to these increased costs, including but not limited to: the continued rise in fuel, labor, insurance, recycling fees, disposal fees, and the majority of all other operating expenses.

Basis for the Proposed Rate Increases:

The proposed residential rate increase of 3.5% is based on the following:

A 3.5% change in Consumer Price Index (CPI). The Franchise Agreement between the San Miguel Community Services District (SMCSD) and San Miguel Garbage Company permits an annual increase for solid waste collection rates based on the change in Consumer Price Index (CPI).

How to Protest proposed rate increase?

Pursuant to Section 6 of Article XIII D of the California Constitution, the following persons may submit a written protest against the Proposed Rate Increase to the District Board Clerk before the close of the Public Hearing referenced above:

- An owner(s) of property (parcel(s)) receiving Solid Waste service within the District's boundary. If the person(s) signing the protest, as an owner, is not shown on the last equalized assessment roll as the owner of the parcel(s) then the protest must contain or be accompanied by written evidence that such person signing the protest is the owner of the parcel(s) receiving solid waste service; and
- A Tenant(s) whose name appears on the Garbage Company's records as the customer of record for the corresponding parcel receiving Solid Waste services, service within the District's boundary (tenant-customer)

A valid written protest must contain a statement that you protest the increase in Solid Waste rates, the address, and Assessor's Parcel Number (APN) of the parcel or parcels which receive Solid Waste services and must be signed by either the owner or tenant-customer of the said parcel or parcels. One (1) written protest per parcel shall be counted in calculating a majority protest to the proposed Solid Waste rate increase subject to the requirements pursuant to Section 6 of Article XIII D of the California Constitution. Written protest will not be accepted by e-mail or by facsimile. Verbal protest will not be counted in determining the existence of a majority protest. To be counted, a protest must be received in writing by the District Board Clerk before the close of the Public Hearing referenced above.

Written protests regarding the Solid Waste increases may be mailed to:

San Miguel Community Services District
P.O. Box 180
San Miguel, CA. 93451

Written protests may also be personally delivered to the District Board Clerk at the San Miguel Community Services District Office located at 1765 Bonita Pl, San Miguel CA. 93451. If valid written protests are presented by the majority of owners and/or tenant-customers of parcels receiving Solid Waste services within the District's boundary, then the District will not adjust/increase the Solid Waste rates. Only one protest per parcel will be counted in determining whether or not a majority protest exists.

AVISO DE AUDIENCIA PÚBLICA SOBRE LOS AUMENTOS PROPUESTOS DE LA TARIFA DE RESIDUOS SÓLIDOS

Propietario/Cliente:

Este aviso tiene la intención de informarle que el Distrito de Servicios Comunitarios de San Miguel (SMCSD) llevará a cabo una audiencia pública sobre el aumento de tarifas propuesto por San Miguel Garbage Company para los clientes que reciben servicios de desechos sólidos, reciclaje y desechos verdes dentro del Distrito. Los aumentos de tarifas propuestos serán considerados por la Junta Directiva del Distrito en la fecha, hora y lugar especificados a continuación.

De acuerdo con los requisitos de la Proposición 218, este aviso le proporciona la siguiente información:

1. Fecha, hora y lugar de la audiencia pública;
2. La cantidad de los aumentos propuestos;
3. Razón de la base sobre la que se calculó la cantidad de los aumentos propuestos;
4. Cómo protestar por los aumentos propuestos.

Aviso de audiencia pública

La audiencia pública del aumento de tarifa propuesto se llevará a cabo en:

Fecha: 27 de junio de 2024

Hora: 6:00 P.M.

Lugar: 601 12th St., San Miguel, California 93451

Si es adoptado por la Junta Directiva del Distrito, el aumento propuesto entrará en vigencia el 1 de julio de 2024. Las tarifas propuestas se adjuntan a este aviso.

Razones para los aumentos de tarifas propuestos:

Los aumentos de tarifas propuestos son necesarios para que la Compañía de Basura de San Miguel continúe brindando servicios seguros, ambientalmente racionales y confiables de recolección de desechos sólidos, reciclaje y recolección, transporte y eliminación o procesamiento de desechos verdes a los ciudadanos dentro del Distrito Comunitario de San Miguel. Varios factores han contribuido a estos mayores costos, que incluyen, entre otros: el aumento continuo de combustible, mano de obra, seguros, tarifas de reciclaje, tarifas de eliminación y la mayoría de todos los demás gastos operativos.

Base para los aumentos de tarifas propuestos:

El aumento propuesto de la tarifa residencial del 3.5% se basa en lo siguiente:

Un cambio del 3.5% en el Índice de Precios al Consumidor (IPC). El Acuerdo de Franquicia entre el Distrito de Servicios Comunitarios de San Miguel (SMCSD) y San Miguel Garbage Company permite un aumento anual para las tarifas de recolección de residuos sólidos basado en el cambio en el Índice de Precios al Consumidor (IPC).

¿Cómo protestar por el aumento de tarifas propuesto?

De conformidad con la Sección 6 del Artículo XIII D de la Constitución de California, las siguientes personas pueden presentar una protesta por escrito contra el Aumento de Tarifas Propuesto al Secretario de la Junta de Distrito antes del cierre de la Audiencia Pública mencionada anteriormente:

- Un propietario (s) de propiedad (parcela(s)) que recibe el servicio de Residuos Sólidos dentro de los límites del Distrito. Si la(s) persona(s) que firma(n) la protesta, como propietario, no figura en la última lista de evaluación igualada como propietaria de la(s) parcela(s), entonces la protesta debe contener o ir acompañada de evidencia escrita de que dicha persona que firma la protesta es la propietaria de la(s) parcela(s) que recibe(n) el servicio de agua; y
- Un inquilino (s) cual su nombre aparece en los registros de la Compañía de Basura como el cliente registrado para la parcela correspondiente que recibe servicios de desechos sólidos, servicio dentro de los límites del Distrito (inquilino-cliente)

Una (1) protesta escrita por paquete se contará en el cálculo de una protesta mayoritaria al aumento propuesto de la tarifa de residuos sólidos sujeto a los requisitos de conformidad con la Sección 6 del Artículo XIII D de la Constitución de California. No se aceptará una protesta por escrito por correo electrónico o fax. La protesta verbal no se contará para determinar la existencia de una protesta mayoritaria. Para ser contada, una protesta debe ser recibida por escrito por el secretario de la Junta de Distrito antes del cierre de la Audiencia Pública mencionada anteriormente.

Las protestas por escrito con respecto a los aumentos de residuos sólidos pueden enviarse por correo a:
Distrito de Servicios Comunitarios de San Miguel
Apartado de correos 180
San Miguel, CA 93451

Las protestas por escrito también pueden ser entregadas personalmente al Secretario de la Junta de Distrito en la Oficina del Distrito de Servicios Comunitarios de San Miguel ubicada en 1765 Bonita Pl, San Miguel CA. 93451. Solo se contará una protesta por paquete para determinar si existe o no una protesta mayoritaria.

DISCUSSION:

Annually, the Board is tasked with reviewing and approving the Operation and Maintenance (O&M) budget for the District.

The DRAFT Revenue and Expenditure Budgets are based on the review of current costs as well as proposed costs for each individual District Fund and all the Funds collectively.

The DRAFT CIP Budget is inclusive of projects which are currently underway, that are carrying over from the prior year, and any new projects for this fiscal year.

Once approved as part of the O&M or CIP budgets; all purchases will be made in accordance with the purchasing, or other applicable policies in effect at the time of the purchase or obligation.

After this review, comments and corrections will be addressed and the O&M Budget and CIP Budget will be brought to the Board for final approval at the May Board Meeting. Once approved, these budgets will take effect July 1st, 2024.

REVENUE NOTE: All property tax revenues are estimates provided (annually) to the District by the County of San Luis Obispo.

REVENUE TRANSFERS: Transfers from the Operating Cash account to either Operational Reserve or Capital Reserve may be made within a department to meet District Reserve goals based on the approved District Reserve Policy. This usually occurs at the close of a Fiscal Year but may occur at any time throughout the year as needed.

Transfers from Capital Reserve to fund specific Capital Project Expenditures are only done after the Expense is incurred and only for the amount approved or incurred if that amount is different than the total amount approved (whichever is less).

AGENDA ITEM: 10.4

SUBJECT: Review and approve RESOLUTION 2024-16 authorizing a budget adjustment to water and wastewater for contract operator services for the remainder of FY 23-24.

SUGGESTED ACTION: Review and approve Resolution 2024-16 authorizing a budget adjustment for contract operator services.

DISCUSSION:

Staff is requesting a budget adjustment to the FY 2023-24 Water (50) and Wastewater (40) budgets. The budget adjustment of \$10,000 each for water and wastewater contract labor (Object 330).

The District is required, by state regulation and law, to utilize State Licensed Operators in the operation and maintenance of the District Water and Wastewater systems. Due to the recent loss of two operators from the District, and the inability of the District to find and hire replacement operators, the District will need to contract out operator services.

Contract services will be needed until the District is able to fill some or all of the open operator positions for which the District is actively searching for qualified interested parties.

FISCAL IMPACT:

Approval will result in a budget adjustment to the FY 2023-24 budget \$10,000 each for water and wastewater.

April 25, 2024

AGENDA ITEM: 11.1

SUBJECT: Paso Basin Cooperative Committee (PBCC) FY 24-25 draft budget (Approve by 3/5 vote)

SUGGESTED ACTION: Review and approve the Draft FY 24-25 PBCC budget by 3/5 vote.

DISCUSSION:

On March 27, 2023, the Paso Basin Cooperative Committee (PBCC) passed a motion to recommend individual Paso Basin Groundwater Sustainability Agencies (GSAs) approve the Fiscal Year (FY) 2024-2025 PBCC budget.

The draft FY 2024-2024 budget, totaling \$600,000, is provided as an attachment for consideration of approval and GSA cost share percentages and amounts are also included in the attachment.

The District is obligated to pay 3% of operational cost of the PBCC. Based on the proposed budget the FY 24-25 cost share for the San Miguel GSA is \$18,000. Costs projected are shown in the attached draft budget but mainly relate to SGMA required reporting and programs.

The proposed \$18,000 cost share has been budgeted in the Water Fund Draft Budget.

Background

The PBCC was formed on September 20, 2017, and formalized by the execution of the “Memorandum of Agreement Regarding Preparation of a Groundwater Sustainability Plan for the Paso Robles Groundwater Basin” (MOA) and subsequent Amendment No. 1 to the MOA on March 13, 2020.

Section 5.3 of the MOA requires the development of fiscal year budget and member contribution percentages by the PBCC for the relevant fiscal year.

On February 7, 2024, GSA staff provided an overview of the draft FY 2024-2025 Budget and the PBCC adopted the following budget development schedule:

- 2/7/2024 PBCC regular meeting - review Draft FY 24-25 budget
 - 3/27/2024 PBCC regular meeting - recommend GSAs adopt FY 24-25 Budget
 - 3/28/2024 to 6/30/2024 Individual GSAs adopt the FY 24-25 Budget
 - 5/22/2024 PBCC regular meeting
 - 7/1/2024 start of FY 24-25 and adopted budget cycle.
 - 7/24/2024 PBCC regular meeting
-

FISCAL IMPACT:

The Draft Budget proposes a cost share of \$18,000 for FY 24-25. This has been budgeted in the DRAFT Water Fund FY 24-25 Budget, no additional allocations are requested at this time.

Actual share of cost will be based on actual cost of service for individual line items and will be billing progressively.
