I Support Safe and Sane Fireworks in San Miguel

To the San Miguel Board,

I'm writing to express how important it is for our community to continue allowing safe and sane fireworks in San Miguel. For many families, these fireworks are a meaningful part of our 4th of July, something we look forward to every year. They bring neighbors together, create memories, and provide a safe, legal way to celebrate.

I understand the concerns about fire danger, but the real threat comes from illegal fireworks, not the regulated ones our community has used responsibly for years. Taking away safe and sane fireworks won't stop illegal activity; it will only leave families without a safe option.

These fireworks booths also provide vital support to local nonprofits that depend on this fundraising to continue serving our community. Eliminating safe and sane fireworks would take away a long-held tradition while also removing funding that helps keep important community programs running.

I hope you'll consider what this means to the people who live here. Let's protect San Miguel by focusing on stronger enforcement against illegal fireworks—not by removing the safe, legal, and beloved tradition that so many of us value.

Thank you for your time and for your commitment to our town.

Sincerely,

Kathy Crawley
