Comments in Writing Encouraged

Members of the public may submit, and are encouraged to submit, comments in writing to the Board, care of the General Manager, relating to any items of District business, whether on the Board agenda or otherwise. Such comments will be distributed to Members of the Board and considered and acted upon, or not acted upon, as the Board, in its judgment, may deem appropriate. All written comments submitted prior to or during the item the comments relate to, will be part of the record on that particular item.

Written public comments received by General Manager or their designee prior to the Board meeting will be read aloud at the board meeting during public comment for the agenda item specified. Reading of written public comment will be limited to three (3) minutes per comment.

Public comments must contain:

- Name of the author
- Whether the author is a resident within the District or non-resident
- An author may include their address but it is not required.
- Item number which the author wishes the comment to be included.

Public comments which contain foul, offensive or derogatory language will not be read during the public meeting.
