Hi Board Clerk,

This is for item #6.1 and I wish t have my letter of support for Raynette Gregory read out loud.

Thank You

Pamela Jardini

February 25, 2026

Dear Board Members,

I am pleased to write this letter of recommendation for Raynette Gregory for appointment as a Director of San Miguel's Community Service District's Board. I can confidently attest to her integrity, sound judgement, and commitment to the community of San Miguel.

Raynette consistently demonstrates her strong dedication to the vitality and well-being of San Miguel. Through her civic involvement she has shown an ability to listen thoughtfully, consider diverse perspectives, and make balanced decisions that serve the community's interest at large.

In addition to her community involvement Raynette brings valuable skills that would benefit the district, including:

- Fiscal responsibility
- Collaborative leadership
- Transparent communication

These qualities are essential for effective governance in a Community Service District where decisions directly affect essential services that SMCS D provides – water, sewer, fire protection and infrastructure.

Raynette will approach decision making with an open mind; she will consider the input from the General Manager, consultants, and the residents of San Miguel. Most importantly, she will foster a collaborative approach for productive working relationships with fellow directors, staff and community members .

Although I do not live in San Miguel, I am involved in several projects in San Miguel. I understand the challenges a Director of a Community Service District faces. San Miguel's residents would be honored to have Raynette Gregory representing them.

Thank you,
Pamela Jardini
