**Subject:** San Miguel CSD Public Comment: Item 6.1 Public Hearing Vacant Board Seat

Hello,

I would like my comment read aloud:

Tonight, the San Miguel CSD will once again, face a choice to not only fill a vacant seat but determine its fate. 2025 was a disaster orchestrated by Owen Davis who has been bent on destroying this town and shutting down the fire department. Berkeley Baker has been an ally of Owen Davis AND DOES NOT BELONG ON THE BOARD. Baker has been personally recruited by Owen to get back on the board.

Baker previously served on the board and his offenses against this town include voting to turn down a 1-million-dollar grant, opposing public safety programs, and twice voting against having a sheriff's office in town. Now the FPPC's Staff have personally opened an investigation into him on two separate matters! Those cases are nearly a year old and still ongoing! What an embarrassment to San Miguel. I have checked and the cases are still ongoing to this day. attached a screenshot of the FPPC cases. Willfull FPPC violations are a misdemeanor. I thought the goal was to improve San Miguel.

I am also disgusted about the sexism that Candidate Raynette Gregory is facing. From the horrible video that Owen shared to awful Facebook posts. Why has no one condemned the comments and harassment that she and our staff have faced? I have included an example.

Since she left the board in 2024 this place has gone to hell. I am thankful she has repeatedly stood up against Owens B.S.

Say NO to sexism, stabilize the CSD. Say NO to Owens puppet. I support Raynette Gregory for the board.
