Please read on Thursday's meeting for 6.1
I live in San Miguel.

I support the appointment of Raynette Gregory to the San Miguel CSD.
Raynette brings:

- Strong problem-solving skills and a practical, solutions-oriented mindset
- Proven leadership grounded in accountability and sound judgment
- Many years of active involvement in the San Miguel community
- Valuable perspective and responsibility as a local business owner

Having already been on the board she understands the needs of community.
