Board Members
San Miguel Community Services District

Letter of Support for Raynette Gregory to fill vacant board seat.

Dear Board Members,

My name is Gavino Villa I am writing to formally show my support of Raynette to fill the vacant CSD board seat. I own several properties in San Miguel, I am in the San Miguel Advisory Council and a registered voter of San Luis Obispo County.

I've known Raynette for over 25 years and consider her a valuable member of our San Miguel community. She has extensive experience in developing and running successful businesses.

She currently serves with me on the Mission Finance Council and this has allowed me to see first hand her budget forecasting, and overall savvy business management, She will be a great asset as a Board member.

Please read out loud at next meeting opportunity.

Thank you.
