**Subject:** Support for Raynette Gregory

Hello San Miguel Board of Directors - please read the following comment out loud for Agenda item 6.1

I am a resident of San Miguel and a current alternate member of the San Miguel Advisory Council, and I strongly urge the appointment of Raynette Gregory.

During her previous tenure, she demonstrated a deep commitment to our community and has been a consistent and outspoken advocate for critical infrastructure improvements and for our fire department. These priorities are not optional—without them, the safety, resilience, and future of our town are at serious risk.

I am confident that Raynette Gregory will continue to work tirelessly on behalf of the residents of San Miguel.

Thank you for your attention to this matter,

Beth Nagengast
