Dear Board Members,

I strongly am in support for Raynette Gregory's appointment to the San Miguel CSD.

Raynette is a long time community member who has always been very involved and works hard for the good of San Miguel. She is dedicated, thorough, intelligent, and always performs her due diligence before making decisions. I am confident she will bring strong and reliable leadership to San Miguel and will always serve San Miguel residents with their best interest at heart.

I again strongly and respectfully encourage you to appoint her to this position.

Thank you,  
San Miguel resident, MEP
